To the members of the Board

I hereby present the annual accounts of Boxwise Foundation for the financial year ended 31 December 2025.

The annual accounts have been prepared on behalf of the Board based on the Foundation's financial records and supporting documentation. The accounts comprise the balance sheet as at 31 December 2025, the statement of income and expenditure for 2025 and the accompanying notes.

During 2025, the Foundation continued its mission of supporting humanitarian organisations through the development and provision of technology and logistics solutions that improve aid delivery in emergency and displacement settings. Activities during the year were financed through grants, donations and subscription income.

The Board would like to thank all donors, partners, volunteers and supporters whose contributions made the Foundation's work possible during the year.

The annual accounts have been prepared by Rabia Ibrahim, Volunteer Finance Advisor, on behalf of the Board, based on the Foundation's financial records and supporting documentation.

*1) Net Result

The profit of € 89,176 in 2025 primarily stems from two donations received mid year. One of these donations is for restricted program. The donations enabled final scoping and commitment of total project costs for 2025-2026. The corresponding costs are not reflected fully in 2025.

In January 2024, Cisco Foundation provided \$75,000 USD worth of restricted funding for a 2024-2025 programme (budgeted at €60,975 based on the exchange rate at the time of budgeting). This is the major driver behind the increase in expenses in 2024. Actual programme spend was over budget by €7,707 EUR due to the some strategic infrastructure investments; since we determined these investments to be necessary and that more funding was likely coming in as part of this initiative, the Stichting decided to partially absorb these costs in Foundation Capital.

Other Notes

Auditor's report

No audit opinion is required, as the Boxwise foundation falls within the limits set by law (Article 396 paragraph 1) of Book 2 of the Civil Code and the company is therefore exempted (article 393 paragraph 6) from the obligation to have the audit of the financial statements referred to in Article 393 (1) carried out.

Distribution of profit

The net result for 2025, amounting to € 89,176.00 has been accounted for in Foundation Capital.
